**EXECUTIVE COMMITTEE ELECTION RESULTS**

The BCLC decided to elect an executive committee that would be composed of 51% Consumers/ Family Members and 49% Others. The Consumers/Family members will have 6 voting members for the current year and 6 alternates who would become voting members next year. Others would have 5 voting members and 5 alternates.

**CONSUMERS**

<b>NAME</b>	<b>Number of Votes</b>
Sarah Couch	43
Quincy Abrams	38
Kirston Kjbech	37
Ann Desiderio	35
Gay Finlayson	35
Davis Keane	34
<hr/>	
Marcella Greathouse	33
Janet Woltman	33
Annette Sandberg	29

Consumers have 6 voting members in the first year and 6 in the second year. Those above the heavy line will be voting members in the first year and those below the line will be voting members in the second year. Because there were only nine consumer candidates, the BCLC still must select three more for the second year

**OTHER**

<b>NAME</b>	<b>Number of Votes</b>
Peter Cubra	37
Sylvia Ruiz	34
Nancy Jo Archer	32
Henry Gardner	30
<hr/>	
Beverly Nomberg	28
Peter Rinn	28
<hr/>	
Daryl Smith	26
Patrick Tyrell	26
Mack Anderson	25
JoAnne Loporto	

Those in the Other Category have 5 voting members in the first year and 5 in the second year. Those above the first heavy line are voting members in the first year. Because there was a tie between Beverly Nomberg and Peter Rinn for the fifth position, the executive committee will decide which has a voting membership in the first year. The other person and all those below the second heavy line will be voting members in the second year.

Note: All votes were counted of those whose names appeared in the database. One person voted for whom there is no documentation that they had ever attended a meeting. That vote was not counted.
